

M/y Maxia II Information Summary

Maxia II - Riviera M400 Sports Cruiser (Up to 8 guests comfortably)

Clean, sharp lines give the Riviera M400 a highly contemporary look - but the styling goes way beyond aesthetics. The hull shape delivers the most nimble and exhilarating performance combined with outstanding stability. Powered by twin Volvo D6 350hp digital throttle and shift motors, you can look forward to thrilling top-end performance and comfortable cruising.

The M400 is as much for those who appreciate comfort and love to entertain as it is for the thrill seeker. Reverse cycle air-conditioning, two refrigerators, an icemaker, and a large entertaining area are among the many features that make life aboard a pleasure.

Accommodating 5 adults in two separate cabins, this exciting sport cruiser is ideal for excursions with family and friends.
