

## S/y Tiara Summary Information

Created in 2004 by Dubois Naval Architects, John Munford Design and Alloy Yachts, **TIARA** is an example of magnificent craftsmanship combined with meticulous design.

**TIARA** has accommodation for 10 guests comfortably or 12 guests with the use of two Pullman beds.

Spread over two levels, the owner's apartment has a private petit salon on the main deck that leads down to a lobby, a sumptuous marble bathroom and an enormous full-width bedroom.

Two double guest staterooms aft convert into a full-beam VIP suite, where the starboard bed converts to a comfortable settee and the guest have the choice for his and hers bathrooms. In addition, two guests rooms can be configured in double or twin cabins both with an extra Pullman bed.

The dining area is decorated with warm, rich tones and the long table seats up to 12 guests. Fully equipped for both formal entertaining and corporate strategy, the dining room has a 42-inch plasma screen ideal for corporate presentations, and the entire room is fully cabled for video conferencing, computer presentations and digital communication.
